Revealed: CIA report allegedly linking former Senate Majority Secretary **Bobby Baker** to financial interests backing deposed Dominican Republic president **Juan Bosch**. Source: Under Secretary of State **Thomas C. Mann**, in testimony last July before Senate Foreign Relations Committee. Testimony still "secret." . . . Despite official denials, reports from Paris persist in crediting Col. **Oleg Penkovsky**, of *The Penkovsky Papers*, with major share in unmasking Soviet spies **Georges Paques**, French (and NATO) civil servant, **Stig Wennerstrom** of Swedish Army, and **William Vassall**, British Admiralty clerk. . . . **Gerhart Eisler**, top Communist "hounded" by American justice until his escape to East Germany in 1949, wishes "death and damnation" to American soldiers in Vietnam, describes reports of U.S. casualties as "music to our ears." . . . Close relatives of Cuban President **Oswaldo Dorticós** and other high-ranking **Castro** ministers reported fleeing Cuba.
